

Moving Money During Your Loan

Underwriters must source every dollar. Keep the paper trail clean from application to closing.

DO

-  **Keep every bank statement**
All pages, even the “intentionally blank” ones.
-  **Season your funds**
Have money in place 60+ days before you apply.
-  **Source large or non-payroll deposits**
A receipt or note for anything out of the ordinary.
-  **Get a signed gift letter**
Required whenever someone gives you funds.
-  **Move money BEFORE you apply**
Consolidate accounts before the file opens, not during.

DON'T

-  **Make undocumented cash deposits**
Physical cash is nearly impossible to source.
-  **Shuffle money between accounts**
Every transfer creates new statements to chase.
-  **Use unsourced funds to close**
If it can't be documented, it can't be used.
-  **Deposit a gift without a letter**
No paper trail means the funds don't count.
-  **Empty an account you disclosed**
Assets you listed need to still be there.

One rule covers all of it: when in doubt, call your loan officer FIRST.
